

Sharing Together – Making Life Easier!

Dear Neighbors,

I've noticed that I have many things lying around that I only use occasionally – like a jigsaw or a pasta machine, which I only use every few months. Maybe it's the same for you?

That's why I'd like to start a small neighborhood sharing list! Anyone interested can sign up and write down the items they're willing to lend. Whether it's a drill, mixer, or sandwich maker – anything that others might find useful can be added.

I hope we can all benefit from the things we already have!

If you have any questions feel free to reach out to me!

Best regards,
